THIS is DECLARATION®

Though obviously contemporary, here is furniture reminiscent of our Early American heritage. Declaration takes its design inspiration from original Shaker and New England styles created by the finest craftsmen in recent American history.

Declaration's disarmingly simple lines answer a universal desire for easy, enduring elegance. The beauty of natural American walnut veneer and solid walnut, with all its special richness of color and grain, is oiled to a deep, lustrous sheen. Sleek accent pieces in rosewood lend a classic sophistication to the group.

Declaration offers an interesting variety of shapes from which to choose . . . round, wedge, cube, rectangular and octagon. The textures are as varied as the shapes . . . walnut, rosewood and ebony combined with porcelain or brass.

Intriguingly designed to effect countless variations, Declaration pieces have a rich sense of kinship. All have a beauty and warmth that excites the imagination. With Declaration in your home, you'll be proud to say . . .

DECLARATION HARDWARE

Versatile Declaration gives you a choice of two pulls for door and drawer fronts. The two pulls are identified by separate style numbers in the captions on these pages.

WHITE PORCELAIN PULLS

Inspired by the straightforward simplicity of the early New England Shakers, whose timeless furniture designs are rediscovered in Declaration. A fresh, pure accent against the richness of oiled walnut.

BRASS AND WALNUT PULLS

Center is a walnut-grained polyester laminate, set in gleaming brass. Created to carry out the beauty of Declaration's striking oiled walnut finish, and blend harmoniously into the furniture.
